COMPANY PROFILE

Main subsidiary of

SWS Capital Berhad [199901027346 (502246-P)]

(Listed on the Main Board of Malaysian Stock Exchange)

Established at Penang, Malaysia in the year of 1994 and with the span of establishment into 30 years, EE-Lian Enterprise then was just from a small scale trading business years back has now evolved into one of the major manufacturer and trading whereby here, EE-Lian has been operating as one of the main subsidiary of SWS Capital Berhad (SWSCAP:7186) which is listed on the Main Board of Malaysian Stock Exchange (KLSE). Apart from successfully been listed under the SWS Capital Berhad, we have not resting on laurels and been keep expanding and growing with wide networking of distribution and coverage of “ELIANWARE” brand not only here but to overseas market such South East Asia’s (SEA), several AFRICA, OCENIA, EUROPE countries and USA market as well.

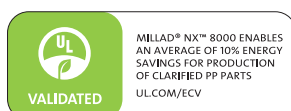

We could not deny that the changes of technology and its advancement has changed the way of our doing business nowadays and subsequently changing our lifestyles and trends as well and thus, we at EE-LIAN here does not wish to be left backwards and hence, has adopted and established an E-Commerce Department back then and with having this platform, it has enable these business transactions to occur as business to business (B2B) and business to consumer (B2C) ways. Not leaving behind on online sales platform, we do promote our business through social media as well to connect with our customers widely.

Apart from that, we are also considered as one of the total solution provider for Original Equipment Manufacturer (OEM) by specialising the designs, product’s development, manufacturing and addition of having some distributions of a wide range products such as premium gifts to corporate sectors for local and overseas market too.

In addition, EE-Lian is considered as one of the leading manufacturers locally and we are proudly announcing that EE-LIAN has been certified with ISO 9001:2008 for its quality management system by adhering to stringent quality controls and monitoring processes to bring out our products in good condition to our customers.

We at EE-LIAN here are placing great emphasize too on our Research & Development (R&D) department team to keep doing research, innovating and creating new designs and coming up with new products development with better and improved designs, product’s quality and durability in order to meet customer’s expectation and satisfaction on our ELIANWARE products.

Besides than that, we also strive to enhance product’s life cycle especially for Plastic Food Containers and Plastic Tumblers by using virgin raw material to make them durable, Bisphenol A (BPA) Free and therefore, it is safe for foods and drinks purposes which indirectly increases consumers perception and satisfaction towards in using our plastic products. Having said that, in 2018 we at EE-LIAN has collaborated with global specialty chemicals producer Miliken by using their Miliken’s energy-saving, UL certified Millad® NX™ 8000 clarifier additive and due to that, EE-LIAN is the first Malaysian manufacturer to be authorized to use the UL certified Green Label environmental accreditation on our ELIANWARE products. These PP resin has enabled us to enjoy with an average of 10% energy savings and 10% carbon dioxide emissions as well. We, as a responsible manufacturer incorporate this energy efficiency into our product design and manufacturing these products to reduce the environmental impact which helps to create a sustainable world for a better future and next generations.
